## *Overview*

Heart of the Rockies Regional Medical Center (HRRMC) is a non-profit clinical laboratory established to provide the highest quality healthcare services to medical practitioners and is committed to providing the highest quality of laboratory service as well as an unmatched level of customer service.

Our location, state-of-the-art facility and logistics planning allows us to provide same-day results to clients throughout the area. We perform testing twenty four hours a day, 7 days a week, which means you will have more test results available in hours.

HRRMC is Critical Access hospital and the laboratory is College of American Pathologists (CAP) accredited.

We are committed to fast and accurate testing and an unparalleled level of service to the local community. Our professional, dedicated staff possesses the skills required to handle all your needs without losing the personal attention and care that is essential to the medical community.
